# NAIL ARCHITECTURE™

1. Prepare natural nail for tip application. Apply tips to nail cut, file and shape. Begin to apply Nail Architectures' Belgian Chocolate Color Acrylic around smile line of nail. Working down to free-edge, apply Nail Architectures' Tangerine Glow and Sun Bright, blending from dark to light.

2. On one side of nail apply Nail Architectures' Acrylic Glitter Jackpot.

3. Using Nail Architectures' Deco Pink, fill in the nail bed down to smile line. File and shape.

4. Clean nail, then apply one layer of Pro-Tec to entire nail, cure under UV light for 3 minutes.

5. Add 3-D flowers using Nail Architectures' Sun Bright and Designer White Color Acrylic's.

6. Add some 3-D leaves using Nail Architectures' Aloha Green Color Acrylic. Top off by placing a pearl gemstone in the center of the flower.
